L-RESTAURANT & BAR occupies the premises that was Trattoo - a London landmark institution created by the famed theatrical designer Sean Kenny some 40 years ago. It has undergone total refurbishment featuring a glass-roofed conservatory over the dining area which gives it a bright and airy feel even on the dullest days.

Since it opened in 2006 it has earned much praise from various restaurant guides and has established a following from the neighbourhood and even further afield. You can expect friendly service with a Modern Iberian menu - Tuna & Veal Carpaccio with Minted Truffle Dressing; Hand-carved Iberico de Bellota Ham with Grilled Chicory; Roasted Pork Belly with Sauteed Ginger Kailan; Zarzuela de Pescado (Monkfish & Seafood Catalan Stew)

LIVE JAZZ every Wednesday. Menu changes regularly so do check our website <[www.L-restaurant.co.uk](http://www.L-restaurant.co.uk)> for updates

**SET LUNCH DAILY £15.50 for two courses / £17.50 for three courses**
